“Without faith, it is impossible to please God.” (Hebrews 11:6)

“Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross.” (Hebrews 12:2)

“We are inclined to think that when we are real busy in the work of the kingdom of God, then we can without danger spend less time in prayer. This way of thinking is in our very blood. And Satan sees to it that it is quickened into life at just the right time. It is therefore, necessary for the Spirit of God to burn into our hearts this mystery, that the most important work we have to do is that which must be done on our knees...This work is the most important of all, because it is prerequisite to all the rest of the work we have to do in the kingdom of God...If the labor of prayer does not precede, as well as accompany, all our work in the kingdom, it will become nothing but the work of man, more or less capably done and with more or less effort and agitation as the case may be, but resulting in nothing but weariness both to ourselves and to others.” (Prayer, Ole Hallesby, p. 80)

Connecting with Jesus in every component of our lives is where we are to be living out our Christian lives. Having a secular or a hidden side in which we do not even show forth to God is not what God desires. He cares about every component of our lives, even the very hairs of our head. Yes, he already knows, but we show forth a strong faith in him as we share our every aspect of our lives with him. He especially cares about what we do or fail to do for his kingdom. As we begin to make plans for time away from the normal routines of life through vacations, we look for rest. Where do we find the true rest? Where do we find true refreshment? Not in the rat race of life nor in the pleasures of this world. We find rest and communion with God, and in him alone.

I know that I get tired. I know that many of you are growing very tired. You are tired of many things. In our exhaustion, may we find our rest in our God for comfort and strength. In our busy times, may we take extra time to be with our God to find the power needed in order to withstand the forces that afflict us. God offers to us springs of living water, and desires that we live our lives in freedom and in forgiveness. Then, may that strength catapult us into ministry that will be truly blessed by our God, through his grace.

As we are driven to our knees, we are then forced to stop and acknowledge our total reliance upon Him through the vehicle of prayer. We confess that Jesus is our all in all. He is the filler of all of our needs at all of our times. In our busy and hectic lives, may we retreat, not from the situations that plague us, but instead into the arms of the one who loved us and gave his life for us.

Living in the Life of Prayer,
Pastor Mark G. Cutler

Our God Reigns, Alleluia!

As we get to summer and summer plans, we still have so much reason to thank and praise, serve and obey God, as we hear from Luther's explanation of the First Article in the Large Catechism.

"For this reason we ought daily to practice this article, impress it upon our minds, and remember it in everything we

see and in every blessing that comes our way. Whenever we escape distress or danger, we should recognize how God gives and does all of this so that we may sense and see in them his fatherly heart and his boundless love toward us. Thus our hearts will be warmed and kindled with gratitude to God and a desire to use all these blessings to his glory and praise.

"Such, very briefly, is the meaning of this article. It is all that ordinary people need to learn at first, both about what we have and receive from God and about what we owe him in return. This is knowledge of great significance, but an even greater treasure. For here we see how the Father has given to us himself with all creation and has abundantly provided for us in this life, apart from the fact that he has also showered us with inexpressible eternal blessings through his Son and the Holy Spirit, as we shall hear (Book of Concord, p.433)."

Nothing in our lives happens outside of God's control. It all happens for a reason and purpose—God's reason and purpose. He uses them to show us His Fatherly goodness and love for us, and for others.

"Whenever we escape distress or danger"—how often has God delivered you, you and your loved ones, or your loved ones or others you know from situations that would otherwise have been injurious or deadly? Has God delivered you through His guardian angels (Matthew 18:10 "*their* angels" (italics mine))? Recently? That is an opportunity to thank Him for His Fatherly divine goodness and mercy.

Yet the opposite is also true. Sometimes God does allow us to go through this tragedy or that event to help us see His Fatherly care even stronger, so that we grow more in our spiritual maturity—or even, at times, things happen to us so that those around us can grow. Have you seen these things happen? Have they happened to you or your loved ones or neighbors in the past and now you can see how God was using those things to help you (or them) grow in your faith-walk? That is also a reason to give God thanks and praise.

These are reasons to thank Him—even as we heads of our households or the others in them teach to our families or learn about in our families from the Small Catechism "For all this it is my duty to thank and praise, serve and obey Him." "This is most certainly true" even just from the ways God serves and loves us through the Creation alone ("apart from the fact that he has also showered us with inexpressible eternal blessings through his Son and the Holy Spirit").

We see the love of God at work in Creation in how it is designed and how God still acts in it. And we also see it as God uses His "masks." Luther coined the concept of the Divine masks in how God serves us through the service of others, whether through mothers—as Pastor Cutler mentioned in his sermon last month—or through fathers, or doctors, pastors, teachers, or anyone else. God didn't just make the Creation and leave everything to run while He sits back and watches. He is actively engaged in it for our good—even when things are challenging and may not feel like it is for our good.

So thanks be to God in the salvation we have in Jesus Christ as our Savior from sin, death, and the devil. But thanks also be to God for all those ways we just mentioned *in addition* to the salvation we have in Jesus. Our God is truly a great God—and what is more and what is better, our God is a good God. In Jesus' Name. Amen.

Your brother and under-Shepherd in Christ,
Pastor Frazee

"How good and pleasant it is when God's people live together in unity!" — Psalm 133:1

As a triune ministry—childcare, school, and church—we are uniquely positioned to serve not only the needs within our walls but also the wider community around us. Unity among us is not merely a strategy for efficiency; it is a testimony of the Spirit at work among God's people. When we collaborate with one heart and one mind, we reflect the very nature of our triune God—Father, Son, and Holy Spirit—who exists in perfect harmony and purpose. Our mission is strengthened when we work together, support one another, and recognize that we are all part of a greater kingdom calling.

Paul reminds us in **Romans 12:4-5**, *"For just as each of us has one body with many members... so in Christ we, though many, form one body, and each member belongs to all the others."* Each part of our ministry brings unique strengths and perspectives. The church nurtures faith and discipleship, the school equips minds and hearts for lifelong service, and the childcare center builds the foundation of trust and learning. Alone, each can make a difference—but together, we become a powerful instrument of God's grace, forming a unified witness to the love of Christ in action.

As we seek to serve others and reach the lost, our unity becomes our greatest witness. Jesus prayed in **John 17:23**, *"I in them and you in me—so that they may be brought to complete unity. Then the world will know that you sent me..."* Evangelism is not only accomplished through words, but through the visible love and cooperation among God's people. By finding shared opportunities—community service, outreach events, prayer partnerships, and shared celebrations—we show the world what it means to be the body of Christ.

May we continue to walk in step with one another, intentionally building bridges between our ministries. Let us ask God to open our eyes to the needs around us and to unite our hearts in bold service and joyful witness. As we do, may the love of Christ shine brightly through our united ministry, drawing others to the hope we have in Him.

How Do I Truly Forgive?

How to Handle the Hook

- ~ Make a list of all the offenses caused by your offender.
- ~ Imagine right now that a hook is attached to your Collarbone. Then imagine all the pain attached to the Hook as a result of the wrong that was done to you.
- ~ Ask yourself, "Do I really want to carry all that pain with me for the rest of my life?" The Lord wants you to take the pain from the past and release it into His hands.
- ~ Then take the one who offended you off your emotional hook and place your offender onto God's hook. The Lord knows how to deal with your offender in His time and in His way. God says, "It is mine to avenge: I will repay" (Deuteronomy 32:35.)

Pray the following prayer to forgive and release your offender.

*"Lord, You know the pain I've felt because of _____
(list every offense.)*

I release all that pain into Your hands. Thank You for forgiving my sins.

I choose to forgive _____ (name) off my emotional hook to Your hook.

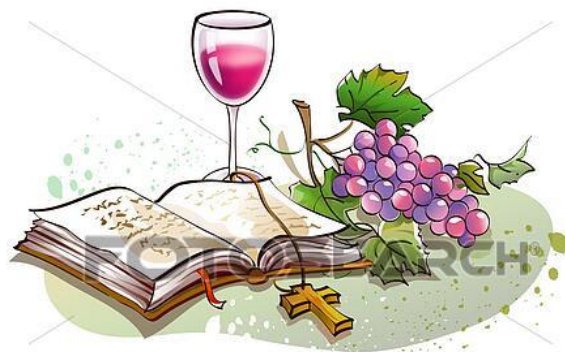

I refuse all thoughts of revenge, trusting that in Your time and in Your way, You will deal with _____ (name) as You see fit. Thank You for giving me Your power to forgive so I can be set free.

In Jesus's name I pray. Amen."

Yee-Haw!

We're starting to Plan VBS 2025!

July 28-31, 2025!

Howdy, partners! Look to your left—do you see the cattle over yonder stampeding across the plains? Look to your right—can your eyes make out the sun-covered buttes of the desert? Look behind you—the brand-new transcontinental railroad is rumbling along the tracks! From the Badlands of South Dakota to the high peaks of the Rockies, there is wonder to be discovered everywhere we turn in the Old West!

Join us as we gallop through the wonder-filled West, where our friends at Wonder Junction will teach us about the grandest wonder of all—Jesus Christ.

Each day, we'll dig deeper into who this awe-inspiring Jesus is, answering questions such as:

- What amazing things happened surrounding Jesus' birth?
- What was Jesus like as a child and teen?
- What wonders occurred during Jesus' ministry years?
- How were Jesus' death and resurrection like no other?
- What should we be doing as we wait for Jesus' return?

Put the dates on your calendar and contact the office if you'd like to be involved!

Shoes for Belize

St. John's collects shoes: and a 'shoe' box is located in the Fellowship Hall.

We appreciate your donations, please only drop off gently used / clean shoes sandals and footwear.

KEEP COLLECTING!

We take shoes all year long,
Container located
in Fellowship Hall!

"YouCan" make a difference! Please consider donating new or gently used pairs of shoes for Belize.

The shoes will be distributed at schools and in villages in Belize by a mission team from this area who is partnering with local leaders there.

Belize is a small, developing country in Central America where shoes are very expensive and often a challenge to get. **Any sturdy casual footwear appropriate for a tropical climate is accepted and would be greatly appreciated.**

Tennis shoes and flip-flops for males

(Toddler 12 – Men's Size 9) and females

(Toddler 10 – Women's Size 7) are

especially needed. As you're considering your

donation, please understand it costs almost \$3 per pair to ship. Shoes should be in good

enough condition to make that investment

worthwhile. If possible, please rubber band or

tie shoelaces together. New, never been worn

socks, and/or monetary donations to help cover

shipping expenses are also welcome and

encouraged for this effort. Please email

info@youcanmissions.org for more information.

Be a part of this mission and spread the word!

Vacations, Our Offerings, His Work:

Vacations are those necessary "breaks" from the job and the routine of life. They are important for our well being, they are deserved; and they are vital to physical and emotional health.

Most vacations and weekend outings occur during the summer season. During this time of year, worship attendance in most churches declines, along with the offerings to carry out the Lord's Work "in season and out of season."

While on vacation or weekend outing we'd encourage you to worship with Christians in sister congregations.

Because the weekly need of home congregation continues when absent from church; we'd encourage you to practice the Bible's teaching of weekly-giving; by making up offerings when absent from worship, or utilize our ACH (automatic payment program).

Many of our members are doing this as our Lord commands in 1 Corinthians 16:2. Additional members are adopting this thoughtful and sensible approach by either mailing their gifts directly to the church; or bringing them with them before they leave for vacation, or after they return.

Ultimately Christian giving – according to ability and on a weekly basis; is an expression of faith in Jesus Christ, as we yield our hearts in obedience to His Will.

Thanks for your love and dedication to Him, whose daily, faithful and life-long grace gives us salvation; and the abundant life.

St. John's Adopt a Bill Program ~ OVER \$ 233,154.07

(since Nov. 2004) What IS St. John's Adopt a bill program? And how does it work? In the Narthex on the wall, we have our 'Adopt-a-bill' Program with the graphics of Noah's ark, and helping "St. John's 'keep afloat'". On the wall are miscellaneous bills that can be 'adopted' by those who would like to help out with some of our bills not necessarily covered by our 'ministry financial plan'. Most (if not all) of the bills to be 'adopted' are less than \$100. There are 'adopt-a-bill' envelopes to put your name, envelope number and selected bill and payment into. [bills 'adopted' will then be credited to your offering statement under 'adopt-a-bill']. Checks should be made out to St. John's Church [not to the recipient on the bill]; cash is also welcomed.

Our 'adopt-a-bill' program was started in 2004 and since then we have over **\$233,000.00** of donations credited to miscellaneous bills.

January 2025 ~ \$391.70

February 2025 ~ \$1,960.90

March 2025 ~ \$1,145.31

April 2025 ~ \$651.11
